STAT 4270	E		

Key	
X	Offered in this semester every year.
I	Offered in this semester every year as a Internet class.
O	Offered in this semester every odd-numbered year
E	Offered in this semester every even-numbered year
R	This course will be offered in this semester when a sufficient number of students request the course to be offered.

All other CHEM and PHYS electives will be offered only as student demand and availability of instructional staff allow.

It is likely that STAT 4270 will be offered every spring once the Healthcare Informatics Concentration in Mathematics is well-established.
